Pflaum is the publisher of our Little Church "We Celebrate" materials. They merged with a company called Bayard. There was a mix up and we never received any materials for the Spring.

I am sorry there are no materials for you or children's leaflets. If you want to make any type of copies – get ideas for projects I know Deanne would be happy to help. The copy machine is always available for you at the office school or parish.

Thank you for your understanding and ministry.
